

## **Monthly Wild Bunch Mini-Match**

If you would like to try your hand at shooting a Wild Bunch match, Smokin' Iron is offering a 2-stage Wild Bunch mini-match to be held immediately after shooting the main match at OVV's first scheduled 2011 match.

For this mini-match, you will not be required to shoot the SASS-required 40 caliber or larger lever rifle. BUT NOTE that if you DO shoot something other than that, it will be just for your fun and you will not be included in the awards. Everyone shooting this will be assigned to Smokin' Iron's posse so be sure to tell the people doing registration of your plans.

This will be a trial-run. If all goes well, and there is further interest, this may very well be a part of every OVV monthly match.

Ammo requirements for this will be 40 rounds 45 ACP (minimum), 40 rounds rifle (minimum), and 12 shotgun (minimum).

Contact Smokin' Iron if you have any questions.
